

Change Your Mind

3 - ADE 55

Donna Baxter

So if you ever change your mind, you can find me here
Locked behind these old cold walls that two broken hearts did build
I can't face the world right now maybe a little later still
But if you ever change your mind, I'll be waiting here

For all the tears and all the hurt, we brought into our lives
I share the blame, live with the pain of a life without your love
So here I sit, full of regrets behind these broken walls
Hiding tears, hoping dear, one day you'll change your mind.

So if you ever change your mind you can find me here
Locked behind these old cold walls that two lonely hearts did build
I can't face the world right now maybe a little later still
But if you ever change your mind I'll be waiting here

Maybe someday you'll feel like loving me again
Maybe give it one more try or just for one last night

If you ever want to talk, you can find me here
No my number hasn't changed and my voice still sounds the same
I keep the line always free in case you ever want to ring
So if you ever want to talk, I'll be waiting here.

And if you ever change your mind, I'll be waiting here.
